

**VIATRONIX ELECTS JAN F. JUMET AND IRA SOCHET
TO ITS BOARD OF DIRECTORS**

STONY BROOK, NY, March, 16, 2005– Viatronix, Inc., leading innovator and developer of diagnostic 3D imaging software, announces the appointments of Jan F. Jumet and Ira Sochet to its Board of Directors. This announcement was made by Zaffar Hayat, Viatronix president and CEO.

In addition to their service on the Board of Directors, Mr. Jumet will serve on the board's audit committee and Mr. Sochet will serve on the compensation committee.

“We welcome Jan Jumet and Ira Sochet to our board of directors and feel confident that their combined business backgrounds in the financial market will prove invaluable to Viatronix,” says Mr. Hayat.

Mr. Jumet is a Chief Risk and Compliance Officer of Mellon Institutional Asset Management. He is responsible for all aspects of compliance and risk management for the institutional investment advisor and mutual fund firms with more than \$210 billion in assets under management.

Mr. Sochet is currently the Owner, Chairman and CEO of Sochet & Company, Inc., a NASD Broker Dealer since 1988 and correspondent of Bear Stearns Securities Corp.

About Viatronix, Inc.

Viatronix is a leading innovator and developer of diagnostic 3D imaging software, which enables physicians to interactively view patients' vital organs and anatomical structures. The Viatronix PACS-integratable V3D-Explorer has patent protected technology that enables 3D visualization of organs from patient data acquired by standard imaging equipment via minimally invasive or non-invasive methods. The Viatronix V3D-Colon allows physicians to interactively view the colon reconstructed from a CT scan, providing visualization of the inner surface of the colon, including polyps. The Viatronix V3D-Calcium Scoring aids physicians in determining the amount of calcium plaque accumulation in the coronary arteries. Viatronix, through application of its V3D technology, is developing additional innovative products that will be useful for earlier detection of diseases, treatment planning, and follow-up evaluation. Viatronix, Inc. is located in Stony Brook, NY. For further information, call toll free (866) 887-4636 or log on to www.viatronix.com.
